Dear Ms. Edelman:

Thank you for contacting Community Board Five regarding 2 Columbus Circle.

In May of last year, a resolution to request a public hearing to consider landmark designation of this building was considered by the Board. That resolution failed.

Currently, there is an application before the Board for the disposition of the 2 Columbus Circle, currently owned by the City, to the Museum of Contemporary Art and Design (formerly the American Craft Museum). The Board will hear public testimony on the matter of this transfer at its May 8, 2003 meeting, to be held at the International Toy Building, 1107 Broadway (between 24<sup>th</sup> & 25<sup>th</sup> Streets) at 6:00 PM. The public is encouraged to attend this meeting.

Again, thank you for contacting Community Board Five on this matter.

Sincerely,

Kyle Merker
