Laurie - thank you. I never know if anyone is paying attention - they sure haven't with the 2 Columbus Circlepiece which just proves that reason isn't involved in these matters because no one could have read it and not rethought it. It's so discouraging. It's OK to give Mr. Tierney my number - but I'm not in NY, I'm in Marblehead and the number here is [REDACTED] Would you believe that DoCoMoMo is sending me mailings (routine mass mailings of course) exhorting me to join the fight to "save" 2 Columbus Circle? Ada Louise

Everyone is talking about your last Wall St. piece. Bob Tierney, the Landmarks Commissioner asked me for your number. I hope that was alright. I have him your e mail and phone number. Best, Laurie

Awful. They are all talking through their hats. National Trust should be ashamed. AL
