**Gotham Gazette Lists 2 Columbus Circle Among 10 Threatened Sites In New York City**

First, the Preservation League of New York State named 2 Columbus Circle to its 2003 list of "Seven to Save." Then, the National Trust for Historic Preservation named it as one of America's "11 Most Endangered Historic Places" in 2004.

Now, the Gotham Gazette (an award-winning online publication of the Citizens Union Foundation of the City of New York) has **included 2 Columbus Circle among a list of 10 threatened New York City historic sites**.
