Robert B. Tierney, Chair
Landmarks Preservation Commission
One Centre Street, 9th floor
New York, NY 10007

July 13, 2005

Dear Commissioner Tierney,

I am writing to you on the behalf of the numerous constituents and organizations that are requesting that the Landmarks Preservation Commission hold a hearing on the future of 2 Columbus Circle. As you know, I, along with other members of the Manhattan Borough Board, voted 9-1 in favor of the sale of the building. However, I believe that preservationists, along with other interested parties, should have their voices heard regarding this building's future. It is my belief that the community's input should be taken into consideration in these matters. As such, I have signed on as a co-sponsor of a "People's Hearing" on whether 2 Columbus Circle should be designated a New York City Landmark.

I ask that you please consider the importance of a transparent and accountable process and reconsider holding a hearing on 2 Columbus Circle.

Sincerely,

A handwritten signature in cursive script that reads 'Eva S. Moskowitz'.
